## Sand Spikes

### SandMate 36"

36" long (2" OD) aluminum tube (sand spike) with "ReelMate" rod holder top attached for support and protection of your reel. These sand spikes will outlast the thin PVC ones. They will not split, chip, or crack due to extreme heat, cold and sun exposure.

00400-SIL SILVER	00403-GRN GREEN
00401-BLU BLUE	00404-PNK PINK
00402-RED RED	00405-GLD GOLD

### SandMate 48"

Same great sand spike as the 36" version. Also includes the "ReelMate" rod holder top attached for support and protection of your reel. Available in silver and gold.

00409-GLD GOLD
00410-SIL SILVER

## Pier Clamps #00436

Our Pier Clamps are designed to fit our SandMate sand spikes which allow multi-use of our spikes, turning our sand spikes into a pier anchor rod holder. The clamps will fit any 2" OD tube and fit 1-1/2" wide pier rails. The clamps are designed to clamp onto the pier railing with no screws into the wood. The clamps bind the tube or sand spike to the pier. Made of aluminum-anodized with stainless steel fasteners. The clamps come packaged as a pair (2 in a package) \*Rod Holder not included.

## Accessories

Bait/Beverage Holder #00412

Both Beverage Holder and Bait Tray come with 4 leveling bushings that fit 7/8" to 2" rail or tube, removable basket for cleaning, fits sand spikes, boat T-tops, umbrellas, poling platforms, and more.....

Bait Tray #00411

### ReelMate #00406-BLK

SET OF 4...Rod Holder Tops: tear resistant UV enhanced synthetic rubber polymer Rod Holder tops. Designed to fit any pipe/tubing with 2"OD, excellent protection for your reel, minimizes movement of your rod. Fits many of the rod/cooler racks currently on the market.
